

HIV/AIDS in Malawi

Key questions

1. What proportion of people in Malawi have HIV/AIDS? How does this compare with other countries in the region?
2. What steps have been taken to curb the spread of HIV/AIDS in Malawi?
3. What issues have hindered the progress of efforts to deal with HIV/AIDS in Malawi?

Where this fits

This enquiry gives pupils the opportunity to further their knowledge and understanding of a fundamental issue inhibiting the development of many countries in Sub-Saharan Africa. As well as consulting the Our Africa website, pupils should be directed towards AVERT's page on HIV & AIDS in Malawi.
